

What Louisiana High School Students Told Us About Tobacco, Alcohol, and Other Substance Use

Students who use tobacco, alcohol, or have ever used drugs, report receiving poorer grades than students who do not.

- ### Three Ways To Support Healthier Students
1. Goaux tobacco-free by becoming a School WellSpot.
 >> To learn more, visit www.wellaheadla.com.
 2. Tailor prevention programming to your students.
 >> To learn more, visit <https://catchinfo.org/>.
 3. Help families intervene early by providing easy-to-use communications tools.
 >> To learn more, visit www.drugabuse.gov/family-checkup.

The 2017 Youth Risk Behavior Survey was a collaborative effort of:
