

## Louisiana Seals Smiles Dental Professional Survey

	Disagree	Somewhat Agree	Agree	Strongly Agree
1. The information I received from the Oral Health Program prepared me for my duties with the school-based dental sealant program.				
Comment:				
2. I was able to follow proper protocol for infection control.				
Comment:				
3. The school staff was helpful in managing the children for the sealant program.				
Comment:				
4. Overall the facility was adequate to conduct dental sealants, i.e. lighting, space, privacy.				
Comment:				
5. I received adequate training to use the SEALS form.				
Comment:				
6. I had adequate time with each child to teach proper brushing and flossing techniques.				
Comment:				
7. I would like to participate in a future school-based dental sealant program.
