

# Healthy Aging & ADRD Project ECHO

The Healthy Aging and ADRD ECHO is composed of a virtual learning environment to expand risk reduction and dementia response in primary care settings statewide. Well-Ahead Louisiana with the help of the Alzheimer's Association, intend to deliver content that will increase awareness and understanding of Alzheimer's Disease and Related Dementia topics among providers and other professionals. Serve as a resource for providers needing assistance with their patients and insight on creating an age friendly practice.

## ELIGIBLE PARTICIPANTS

- Primary care providers
- Advanced practitioners
- Pharmacists
- Social workers
- RHC and FQHC providers in rural areas are especially encouraged to join!

## WHY SHOULD YOU JOIN?

- To share knowledge and expand treatment capacity in urban and rural communities across Louisiana

In support of improving patient care, this activity has been planned and implemented by the Bureau of Chronic Disease Prevention and Healthcare Access and Project ECHO. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Sessions held every 3rd  
Tuesday of the month  
from noon to 1 p.m. CST.
