

# Dental ECHO

Well-Ahead Louisiana offers Dental ECHO as an innovative healthcare delivery solution designed to increase access to oral health specialists in areas facing dental workforce shortages. This monthly virtual learning series aims to share knowledge and expand treatment capacity in rural communities. It provides ongoing learning and support for clinicians, empowering them to offer equitable dental health care to their patients.

As a result, it reduces the need for patients to travel outside of their communities to receive dental care. The Dental ECHO project helps providers acquire new skills and competencies, establish best practices in oral health through case-based learning, and foster shared knowledge networks. Well-Ahead Louisiana collaborates with a diverse group of professionals and students to engage in this “all-teach, all-learn” environment.

## ELIGIBLE PARTICIPANTS

- Advanced practitioners
- CHWs
- Dentists and dental hygienists
- Educators
- Students
- Oral health subject matter experts
- Primary care physicians and pediatricians
- RHC and FQHC Dental providers in rural areas are especially encouraged to join!

## WHY SHOULD YOU JOIN?

- Join supportive provider network to discuss prevention, integration and access to oral health
- Access to up-to-date oral health updates and news
- Improved patient outcomes
- Free CEU credits available to dentists and physicians
- And more!

In support of improving patient care, this activity has been planned and implemented by Bureau of Chronic Disease Prevention and Healthcare Access and Project ECHO. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### AMA Designation Statement

Project ECHO® designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ADA Accreditation

Project ECHO® is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP. Project ECHO® designates this activity for 1.0 continuing education credit.

### Disclosure Statement

Project ECHO®, in compliance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, requires that anyone who is in a position to control the content of an educational activity disclose all relevant financial relationships they have had within the last 24 months with an ineligible company.

None of the planners and presenters for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Terrilyn Roberts, MS, CHES, Chrissy Smith, MBA, Catrina Ratliff, DDS, Mikki S. Bouquet, MD, Darrell Todd Hartsfield, DDS, and Gary Kasser, DMD

The following planners/presenters listed below have disclosed that they have a relevant financial relationship with an ineligible company.

Name	Nature of Relationship	Name of Ineligible Company
Celeste Terry, RDH, BS	Advisor, Consultant	Association of State and Territorial Dental Association

All of the relevant financial relationships listed for this individual have been mitigated.

Sessions held every 3rd  
Friday of the month from  
noon to 1 p.m. CST.
